That the State Controller increase allotment in account 014-01A-0188-02, Maine Dairy Farm Stabilization Fund by \$2,007,195 in the All Other line category for the purpose of making stipend payments to the dairy farmers from the Tier Pricing Program; and,

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2020", for which this shall be our sufficient warrant.

Statement of Fact

This financial order increases allotment to provide authority to issue payments from the Tier Pricing Program in accordance with the Maine Revised Statutes, Title 7, section 3153-B. This will increase allotment up to the recent projection from the Maine Milk Commission. Failure to allot these funds will have a detrimental impact to the Department resulting in the inability to distribute funds as required by statute.
