Chapter 7: DANCES

§161. LICENSES AND FEES

The following provisions govern the licensing of public dances. [1997, c. 728, §1 (RPR) .]

1. Law enforcement. A public dance at which minors are admitted may not be held in any pavilion, hall or other building unless a law enforcement officer or, if permitted under local regulation or ordinance, a private security guard, licensed under Title 32, chapter 93, is present during the dance and unless there are in such pavilion, hall or other building separate toilets for men and women. This subsection does not apply to dances conducted by and for students in either public, private or state-owned school buildings or municipally owned buildings.

[1997, c. 728, §1 (NEW) .]

2. Posting of license. A building or any part of the building used for public dancing purposes, either habitually or occasionally, must have posted at all times of dances a proper license obtained from the Commissioner of Public Safety.

[1997, c. 728, §1 (NEW) .]

3. Application; inspection. The owner, lessee or tenant of the building shall apply for a license from the Commissioner of Public Safety. Upon receipt of an application, the Commissioner of Public Safety or the commissioner's designee shall inspect the building, including its entrances, exits, fire escapes and structural and fire safety. If the building complies with all laws and rules, the Commissioner of Public Safety shall issue a license. The license must name the owner, the name of the hall, the location in the building of the dance area and the capacity of this area for dancing.

[1997, c. 728, §1 (NEW) .]

4. Scope; expiration. The license covers all dancing in the building or parts of the building as stated on the license. A dancing license expires one year from the date of issue unless sooner revoked.

[1997, c. 728, §1 (NEW) .]

5. Fee. The fee for a dancing license is \$117. The fee must accompany the application for the license and is not refunded in those cases in which the premises are inspected. Fees collected under this section must be deposited into a special revenue account to carry out the purposes of this section. A fee is not required for the licensing of dances conducted by and for students in public, private or state-owned school buildings or municipally owned buildings.

[2001, c. 437, §1 (AMD); 2001, c. 437, §8 (AFF) .]

6. Rules. The Commissioner of Public Safety shall adopt the necessary rules and regulations relative to the fire protection, fire prevention and structural accident prevention governing the buildings in which public dances are held.

[1997, c. 728, §1 (NEW) .]

7. Temporary license. Following the transfer of ownership of a building used for public dances licensed under this section, a new owner that applies for a new dancing license for that building may simultaneously apply to the Commissioner of Public Safety for a temporary dancing license. The

commissioner may issue a temporary dancing license, which is valid for a period of 60 days or until a decision is made on the application submitted pursuant to subsection 3, whichever is shorter. The fee for a temporary dancing license issued pursuant to this subsection is \$25.

B. All fees collected by the commission pursuant to sections 271, 275-D and 279-A; [2015, c. 493, §1 (AMD).]

C. Any funds allocated or appropriated to the operating account; and [2015, c. 493, §1 (AMD).]

D. Any funds deposited in the operating account pursuant to section 299, subsection 3. [2015, c. 493, §2 (NEW).]

[2015, c. 493, §§1, 2 (AMD) .]

3. Additional revenue needs. Using the total legislative allocation of the operating account for the fiscal year and the revenue received and anticipated under subsection 2, the commission shall calculate the amount of additional revenue needed, referred to in this section as "the shortfall," to equal the total legislative allocation. This calculation must be made at least annually and more frequently if needed.

[2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF) .]

4. Administrative assessments. The following funds, referred to collectively in this section as "the assessed funds," are subject to an administrative assessment determined under subsection 5:

A. The fund established in section 298 to supplement harness racing purses; [2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF).]

B. The Sire Stakes Fund established in section 281; [2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF).]

C. The Agricultural Fair Support Fund established in Title 7, section 91; [2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF).]

Only those balances in the assessed funds from revenues received under section 1036, subsection 2, paragraphs B, C, D, H and I are subject to an assessment under this section.

[2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF) .]

5. Calculation and transfer of administrative assessment. The commission shall establish by rule an administrative assessment that when applied to each of the assessed funds yields a total that approximates the amount of the shortfall. The assessment is a percentage of the revenue each fund receives under section 1036. An assessment may be made on a monthly basis. The commission shall certify the amounts to be assessed on each of the assessed funds to the Treasurer of State, who shall transfer those amounts to the operating account.

[2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF) .]

6. Working capital advance. In addition to the administrative assessment established under subsection 5, the commission may assess a working capital advance from each of the assessed funds to meet the cash flow needs of the commission. The amount of the advance under this subsection must be established by rule and must be calculated as a single percentage applied to each of the assessed funds. The commission shall certify the amounts to be advanced from each of the assessed funds to the Treasurer of State, who shall transfer those amounts to the operating account.

The commission shall credit against future assessments calculated under subsection 5 any amounts advanced as a working capital advance under this subsection.

[2007, c. 539, Pt. G, §6 (NEW); 2007, c. 539, Pt. G, §15 (AFF) .]

7. Rulemaking. Rules adopted under subsections 5 and 6 to establish administrative assessments and working capital advances are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

§270-A. CONFIDENTIALITY OF RECORDS AND INFORMATION

For the purposes of Title 1, section 402, subsection 3, the types of records and information listed in section 1006, subsection 1 when collected by or provided to the commission are designated as confidential and may not be disclosed except as provided in section 1006, subsection 2. This section applies to information or records included in an application or materials required by the commission for issuance of a commercial track license, including records obtained or developed by the commission related to an applicant or licensee. [2007, c. 483, §1 (NEW).]

SECTION HISTORY

2007, c. 483, §1 (NEW).

§271. ISSUANCE OF LICENSES FOR THE CONDUCT OF RACING

1. Licensing. If the commission is satisfied that all of this chapter and rules prescribed by the commission have been substantially complied with during the past year and will be fully complied with during the coming year by the person, association or corporation applying for a license; that the applicant, its members, directors, officers, shareholders, employees, creditors and associates are of good moral character; that the applicant is financially responsible; and that the award of race dates to the applicant is appropriate under the criteria contained in subsection 2, it may issue a license for the holding of harness horse races or meets for public exhibition with pari-mutuel pools, which must expire on December 31st. The fee for a license is \$100 or \$10 per week, whichever is higher. The commission shall make available harness racing laws and rules and relevant portions of the Maine Administrative Procedure Act to every initial licensee. The license must set forth the name of the licensee, the place where the races or race meets are to be held and the specific race dates and time of day or night during which racing may be conducted by the licensee. If the commission determines that the location where a commercial track is licensed to conduct races is unavailable, it may permit a licensee to transfer its license to another location. The substitute location and the races conducted there by the licensee must be conducted in accordance with this chapter. A license issued pursuant to this subsection is not transferable or assignable. The District Court Judge, as designated in Title 4, chapter 5, may revoke any license issued at any time for violation of the commission's rules or licensing provisions upon notice and hearing. The license is automatically revoked, subject to Title 5, chapter 375, upon a change in ownership, legal or equitable, of 50% or more of the voting stock of the licensee; the licensee may not hold a harness horse race or meet for public exhibition without a new license.

[2017, c. 475, Pt. A, §9 (AMD) .]

2. Minimum number of race days; criteria for date awards. The commission shall determine the number of race days that should be awarded to licensed applicants pursuant to this section based on the criteria set forth herein. The commission may award fewer than the minimum race days set forth in section 275-A, subsection 1 to commercial tracks with the express written approval of the track, and with the express written approval of an association of horsemen as defined in section 272-B, if credible evidence is presented that demonstrates that fewer race days is in the best interest of Maine's harness racing industry. The award of fewer race days than set forth in section 275-A, subsection 1 may not affect the status of those tracks as commercial tracks pursuant to section 299. In assigning race dates to licensees, the commission shall consider the following factors:

A. The revenues to be generated, consistent with the profitability and financial health of the licensee, for the operating account pursuant to section 287; the purse supplements pursuant to section 286; the Sire Stakes Fund pursuant to section 281; and the Stipend Fund pursuant to Title 7, section 86; [2007, c. 539, Pt. G, §7 (AMD); 2007, c. 539, Pt. G, §15 (AFF).]

B. The quality of race programming and facilities offered and to be offered by the licensee and the suitability of the applicant's racing facilities for operation at the season for which the race dates are requested; [1995, c. 408, §2 (AMD).]

- C. The necessity of having and maintaining proper physical facilities for racing meetings; and consequently, to ensure the continuance of the facilities, the quality of the licensee's maintenance of its track and plant, the adequacy of its provisions for rehabilitation and capital improvements and the necessity of fair treatment of the economic interests and investments of those who, in good faith, have provided and maintained racing facilities; [2017, c. 231, §9 (AMD).]
- D. The desirability of reasonable consistency in the pattern of race date assignments from year to year; [1995, c. 408, §2 (AMD).]
- E. With respect to agricultural societies seeking licenses to conduct harness racing meets at the time of their annual fairs, the scheduling of agricultural fairs determined by the Commissioner of Agriculture, Conservation and Forestry pursuant to Title 7, sections 83 and 84; [2005, c. 563, §5 (AMD); 2011, c. 657, Pt. W, §6 (REV).]
- F. The preservation of a diversity of harness racing tracks in the State; [1985, c. 444, §2 (NEW).]
- G. The quality of the licensee's observance and enforcement of this chapter and the rules adopted pursuant to this chapter during the past year; [2017, c. 231, §9 (AMD).]
- H. The extent to which the licensee fully utilized race dates granted to it for the past year; [1995, c. 408, §2 (AMD).]
- I. The personnel and resources available to the commission for the enforcement of this chapter and the rules adopted pursuant to this chapter; [2017, c. 231, §9 (AMD).]
- J. The likely availability of race-worthy horses throughout the year with a goal of promoting full cards and avoiding 5-horse fields; and [2017, c. 231, §9 (AMD).]
- K. Such other criteria consistent with the betterment of harness racing and the public health, safety and welfare as the commission may establish by rule. [1985, c. 444, §2 (NEW).]

If the executive director or the commission determines that any of the criteria listed in this subsection have not been met by the licensee, the executive director shall submit a notice of the deficiency in meeting any criteria to the licensee, regardless of whether the deficiency resulted in the denial of the application for or the refusal to award race dates. The director shall also submit a copy of the notice in the same manner and at the same time to the joint standing committee of the Legislature having jurisdiction over agriculture matters.

[2007, c. 466, Pt. A, §26 (AMD); 2007, c. 539, Pt. G, §7 (AMD); 2007, c. 539, Pt. G, §15 (AFF); 2017, c. 231, §9 (AMD).]

3. Overlapping race dates. The commission may not award overlapping race dates for extended meets to licensees within 50 miles of each other without the approval of 60% or more of the entire commission.

[1991, c. 579, §10 (AMD).]

4. Evaluation.

[1991, c. 579, §10 (RP).]

5. Minimum number of race dates. The commission may assign a commercial licensee a minimum number of race dates for a period of up to 3 years. The specific calendar dates for the minimum number of race dates and any additional race dates are determined each year in accordance with subsection 1. For the purposes of this subsection, "commercial licensee" means a licensee with an annual total of at least 25 race dates with pari-mutuel wagering in the previous calendar year.

[2017, c. 231, §10 (AMD).]

6. Conditions. The commission may impose conditions on a license if one or more of the criteria established in this section are not met at the time the license is issued, but may be brought into compliance within a time period during the licensing year.

[1997, c. 406, §1 (NEW) .]

7. Hearing on horse supply. Prior to August 31st of each year, the commission shall conduct a hearing to determine whether the horse supply in the State has been adequate for the number of dashes conducted on assigned race dates. If the commission concludes that the horse supply has been inadequate, the commission shall limit to the extent necessary the number of dashes that a licensee may race on any date after August 1st of that year that has been assigned to more than one track. The commission may not restrict the number of dashes to fewer than 8.

[2017, c. 231, §11 (AMD) .]

8. Term of license and race date assignment. Notwithstanding any provision of this chapter to the contrary, each license to conduct live racing or to engage in simulcast wagering, including by operating an off-track betting facility as defined in section 275-A and all awards of race dates issued or made by the commission, beginning with licenses issued and race dates awarded for 1998, may be for a 2-year period.

[2001, c. 320, §1 (AMD) .]

9. Previous year's dates.

Notwithstanding any other provision of this chapter, up to 3% of funds designated to supplement purses may be paid to a statewide association of horsemen in accordance with this section. A statewide association of horsemen, referred to in this section as "the association," means an association of horsemen a majority of the membership of which is composed of owners, trainers and drivers or any combination of owners, trainers and drivers who are licensed by the commission and whose officers are authorized by the membership to negotiate with a person licensed to conduct racing under section 271 on behalf of the association's membership. §272-C. TRUST ACCOUNT

1. Establishment; deposits; rules. A licensee conducting live racing in the State shall establish a trust account for the benefit of the persons who race horses at that licensee's facility. Except as provided by subsection 3, funds distributed to or retained by the licensee pursuant to sections 287, 289, 290, 292 and 298 and Title 7, section 91, less any administrative assessments pursuant to section 267-A, that must be used to pay or supplement harness racing purses must be deposited in that account and used exclusively to pay harness racing purses. The funds in a trust account established in accordance with this subsection are not considered to be property of the licensee, may not be pledged as security for the debts of the licensee and are not subject to attachment or execution by creditors of the licensee. The commission may adopt rules governing the handling of trust accounts, providing for the reallocation of trust account funds to other licensed commercial tracks in the event that a track ceases operation or cancels a significant number of race days, as determined by the commission, and governing the handling of harness racing purses at any commercial track that does not have a contract with a statewide horsemen association. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

[2017, c. 231, §13 (AMD) .]

2. Payment if licensee fails to conduct racing. If a licensee ceases to operate and therefore fails to conduct racing during any of the assigned race dates in a calendar year, all funds not committed to pay purses held in the trust account established under this section by that licensee must be returned within 15 days to the commission, which shall return to the licensee any amount that represented a reimbursement that equaled an overpayment of harness racing purses. Any remaining balance of the trust account must be redistributed by the commission to the trust accounts of all racetracks that continue to conduct live racing in the State, with each track receiving that portion of money determined by multiplying the amount of money available for redistribution by a fraction, the numerator of which is the number of race dates at that racing facility during the prior calendar year and the denominator of which is the total number of race dates throughout the State

during that year, except that those funds received by a licensee pursuant to section 298 must be returned to the fund to supplement harness racing purses established in section 298 and must be distributed according to that section.

§275-A. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [1997, c. 528, §13 (AMD).]

1. Commercial track. "Commercial track" means any harness horse racing track that is a for-profit business and is licensed under this chapter to conduct harness horse racing with pari-mutuel wagering that is not associated with an agricultural fair as defined in Title 7, section 81 and that:

A. If the population of the region is 300,000 or more, based on the 1990 U.S. Census, conducted racing on more than 69 days in each of the previous 2 calendar years, except that if a racetrack that qualifies as a commercial track under this paragraph ceases operation, a separate racetrack operated by the owner or operator of the racetrack that ceased operation qualifies as a commercial track, and for all purposes is considered the same commercial track as the track that ceased operation, if the population of the region of that separate racetrack is 300,000 or more, based on the 1990 U.S. Census, and the sum of the number of days on which racing was conducted at the track that ceased operation and the number of days on which racing was conducted at the separate racetrack equals at least 70 days in each of the 2 preceding calendar years; [2017, c. 231, §14 (AMD) .]

B. If the population of the region is less than 300,000, based on the 1990 U.S. Census, conducted racing on more than 34 days in each of the previous 2 calendar years, except that if a racetrack that qualifies as a commercial track under this paragraph ceases operation, a separate racetrack operated by the owner or operator of the racetrack that ceased operation qualifies as a commercial track, and for all purposes is considered the same commercial track as the track that ceased operation, if the population of the region of that separate racetrack is less than 300,000, based on the 1990 U.S. Census, and the sum of the number of days on which racing was conducted at the track that ceased operation and the number of days on which racing was conducted at the separate racetrack equals at least 35 days in each of the 2 preceding calendar years; [2017, c. 231, §14 (AMD) .]

C. Began operation after January 1, 2014 in a region with a population of 300,000 or more, based on the 1990 U.S. Census, to replace a commercial track as defined by paragraph A that ceased operation after January 1, 2014 and for which no separate racetrack has been opened by the owner or operator of that commercial track that ceased operation. For purposes of this paragraph, a racetrack is not required to have conducted racing during the 2 preceding calendar years but is required to conduct racing on at least 70 days during each calendar year after the track is initially licensed as a commercial track. If a commercial track under this paragraph has not been granted 70 race days by the commission for the initial calendar year of operation, race days conducted during that year by the commercial track that ceased operation after January 1, 2014 are credited to the replacement commercial track; or [2017, c. 231, §14 (AMD) .]

D. Began operation after January 1, 2014 in a region with a population of less than 300,000, based on the 1990 U.S. Census, to replace a commercial track as defined by paragraph B that ceased operation after January 1, 2014 and for which no separate racetrack has been opened by the owner or operator of that commercial track that ceased operation. For purposes of this paragraph, a racetrack is not required to have conducted racing during the 2 preceding calendar years but is required to conduct racing on at least 35 days during each calendar year after the track is initially licensed as a commercial track. If a commercial track under this paragraph has not been granted 35 race days by the commission for the initial calendar year of operation, race days conducted during that year by the commercial track that ceased operation after January 1, 2014 are credited to the replacement commercial track. [2017, c. 231, §14 (AMD) .]

For the purposes of this subsection, "region" is determined by measuring a distance of 50 miles from the center of the racing track along the most commonly used roadway, as determined by the Department of Transportation, drawing a circle around the center of the racing track using that 50-mile measurement and excluding those municipalities or unorganized territories that do not have boundaries contained entirely by that circle.

For the purpose of determining the number of days a race track conducted racing under this subsection, if a race day is canceled due to a natural or other disaster, or due to a horse supply shortage as verified by the state steward, the track is considered to have conducted racing on that day.

[2017, c. 231, §14 (AMD) .]

For purposes of this subsection, the market area is determined by measuring a distance of 35 miles from the off-track betting facility along the most commonly used roadway adjacent to the off-track betting facility, as determined by the Department of Transportation, drawing a circle around the center of the off-track betting facility using that 35-mile measurement.

[2003, c. 401, §13 (AMD) .]

A. Within 15 days after receiving an application for an off-track betting facility license or within 15 days after the expiration of the 30-day objection period described in subsections 3 and 4 when the proposed facility is located within the market area of an existing off-track betting facility or a commercial racetrack, the commission shall notify the municipal officers of the municipality in which the facility is

to be located and shall send a copy of the application to those officers. The municipal officers shall hold a public hearing for the consideration of the application in accordance with this subsection. [1993, c. 388, §8 (NEW).]

- (3) Noncompliance of the facility or the facility's use with a local zoning ordinance or other land use ordinance;
- (4) Conditions of record, such as waste disposal violations, health or safety violations and repeated parking or traffic violations, on or in the vicinity of the facility and caused by persons patronizing or employed by the facility or other conditions caused by persons patronizing or employed by the facility that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the facility to use their property in a reasonable manner;

- (8) Provides segregated areas for conducting betting separate from the areas in which restaurant or other services are provided to the general public for nonbetting purposes; and
- (9) Will not adversely affect existing licensed off-track betting facilities within 35 miles of the proposed facility. [1993, c. 388, §8 (NEW).]

B. The municipal officers of the municipality in which the facility is to be located have approved the facility pursuant to subsection 5; [1993, c. 388, §8 (NEW).]

C. The commission is satisfied that the provisions of this chapter and any rules prescribed by the commission will be fully complied with during the coming year by the person, association or corporation applying for a license; that the applicant, its members, directors, officers, shareholders, employees, creditors and associates are of good moral character; and that the applicant is financially responsible; and [1993, c. 388, §8 (NEW).]

8. Requirements for simulcasting. The following requirements apply to simulcasting by off-track betting facilities.

A. An off-track betting facility located within a 75-mile radius of a noncommercial racing licensee may not present a simulcast at the same time that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 2% of the wagers made at the facility at the time live racing is being conducted. An off-track betting facility within a 50-mile radius of a noncommercial racing licensee may not present a simulcast during any day on which that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 1% of the wagers made on that day. Amounts payable under this section are taken from the facility's share of wagers authorized in section 286. If the racing licensee is conducting simulcasting pursuant to section 295, subsection 2, then the racing licensee is not entitled to payment by the facility under this section. [1997, c. 528, §21 (AMD).]

B. If live racing being conducted in this State is available for simulcast, all off-track betting facilities shall provide broadcasts originated in the State on the monitors in the facility, as required by rule of the commission, and shall accept wagers on those races on all of its pari-mutuel selling terminals. The races must be broadcast as announced on the track. At any time harness racing originated in the State is available for simulcast, the facility may not broadcast harness racing from outside the State without approval of:

- (1) Each racetrack in the State conducting harness racing at that time; and
- (2) Either the association representing the horsemen at those tracks at that time or the commission. [1997, c. 528, §22 (AMD).]

9. Annual report. The department shall report annually by January 1st to the joint standing committee of the Legislature having jurisdiction over legal affairs matters and to the joint standing committee of the Legislature having jurisdiction over agricultural matters on the effect of off-track betting facilities on the local economy, the public interest, the integrity of live racing and other matters the department finds appropriate. The department may include in its report any recommendations for necessary changes in laws governing off-track betting.

[1997, c. 528, §23 (AMD) .]

10. License nontransferable. An off-track betting facility license issued is not transferable or assignable.

[1997, c. 528, §24 (NEW) .]

11. Revocation. The District Court Judge, as designated in Title 4, chapter 5, may revoke any license issued at any time for violation of the commission's rules or licensing provisions upon notice and hearing. The license of any corporation is automatically revoked, subject to Title 5, chapter 375, upon the change in ownership, legal or equitable, of 50% or more of the voting stock of the corporation, and the corporation may not conduct off-track betting without a new license.

[1999, c. 547, Pt. B, §26 (AMD); 1999, c. 547, Pt. B, §80 (AFF) .]

12. Approval of dates. An applicant for an initial off-track betting facility license or renewal of an off-track betting facility license shall identify the dates on which pari-mutuel wagering will be conducted. When approving an initial license or the renewal of a license for an off-track betting facility, the commission shall identify the dates on which pari-mutuel wagering is permitted at the off-track betting facility.

[1997, c. 528, §24 (NEW) .]

13. Conditions. The commission is authorized to impose conditions on a license if one or more of the criteria established in this section are not met at the time the license is issued and the licensee is able to comply with the conditions within a specified time period during the licensing year or if the conditions are requested both by the municipality as a condition of its approval and by the applicant.

SECTION HISTORY

1997, c. 528, §46 (NEW). 2015, c. 200, §3 (AMD).

§287. PAYMENT OF STATE SHARE

1. Payment. Amounts calculated as state share under section 286 must be paid to the Treasurer of State for deposit in the operating account established under section 267-A. If the total of regular and exotic wagers placed at facilities licensed under this chapter exceeds \$35,000,000 for any calendar year, the portion payable to the operating account must be distributed in accordance with this section. All wagers placed at off-track betting facilities and racetracks must be included in making this calculation, including wagers made in this State to commingled pools.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

2. Commercial meet account. The Treasurer of State shall deposit in a commercial meet account 72% of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000. This account must be divided in the proportion that the contributions of regular and exotic wagers of pari-mutuel pools on live racing made or conducted at the commercial meets of each licensee during the calendar year bear to the total contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at the commercial meets of all licensees during that calendar year. Licensees sharing in this distribution shall use 1/2 of the funds received for the purpose of supplementing purse money. The other 1/2 of this distribution must be paid to the commercial licensees as reimbursement for improvements made to their racing facilities in the calendar year during which the funds are generated or, beginning January 1, 2000, during the prior year. To receive reimbursement, commercial licensees must submit plans for the improvements to the commission and receive approval from the commission prior to making the improvements, and the commission must verify that the approved improvements have been made.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

3. Payment to Stipend Fund. Nine percent of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000 must be distributed to the Stipend Fund as provided in Title 7, section 86.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

4. Sire Stakes Fund. Nine percent of the revenue credited to the operating account under this section that is attributable to amounts in excess of \$35,000,000 must be paid to the commission to be credited to the Sire Stakes Fund as provided in section 281.

[2007, c. 539, Pt. G, §9 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

5. Definition. For the purposes of this section, "improvements" means the amount paid out for new buildings or for permanent improvements made to improve the facilities utilized by the licensee for conducting its racing meetings; or the amount expended in restoring property or in improving the facility or any part of the facility that results in the addition, replacement or substantial enhancement or restoration of a fixed asset or of a movable asset that is important to efficient operation of the racing meetings. In general, the amounts referred to as improvements include amounts paid that add to the value, improve or substantially prolong the useful life of the racetrack and moveable assets utilized by the licensee for conducting its racing meetings. Amounts paid or incurred for routine repairs and maintenance of property, interest expense or lease payments in connection with the capital improvements are not improvements within the meaning of this section. In order to qualify as an improvement, a substantial enhancement or restoration of an asset must cost at least \$2,000 and must be an expenditure that would qualify for depreciation under the United States Internal Revenue Code. A moveable asset may be considered important to the efficient operation of a race

meeting if the asset will remain at the commercial track or at the offices of the licensee throughout its use and if that asset is directly associated with running races, accommodating patrons of the race meet, conducting pari-mutuel wagering or paying purses.

[1999, c. 622, §1 (AMD) .]

6. Timing of payment. Payment under this section must be made no later than 7 days after each race and must be accompanied by a report under oath showing the total of all contributions to pari-mutuel pools covered by the report and other information the commission requires.

[1997, c. 528, §46 (NEW) .]

7. Interim payments to commercial tracks. If during the course of any calendar year the commission finds that wagers placed at facilities licensed under this chapter for the year are likely to exceed \$35,000,000, it may, if reasonably necessary for improvements to be effected expeditiously, direct the Treasurer of State to make interim payments to a commercial track in amounts as the commission finds the commercial track is likely to be entitled to receive under this section. If a commercial track receives interim payments under this subsection that exceed the total amount the commercial track is entitled to receive for the calendar year, the Treasurer of State shall reimburse the operating account for this excess by retaining money otherwise due to that commercial track pursuant to section 295.

The Treasurer of State shall credit .189% of the commission on regular wagers made to interstate commingled pools, .402% of the commission on exotic wagers made to interstate commingled pools, 0.72% of the regular wagers made to all other pools and 0.49% of the exotic wagers made to all other pools to the Stipend Fund as provided in Title 7, section 86 and shall distribute the balance as provided in subsection 2.

[2005, c. 563, §7 (AMD) .]

2. Extended meet account. The Treasurer of State shall distribute the balance of the amount calculated as Stipend Fund share as follows.

A. The first \$400,000 of the total amount, regardless of when actually collected, must be credited to the Stipend Fund as provided in Title 7, section 86. [2005, c. 563, §7 (AMD) .]

B. From the balance of the total amount in excess of \$400,000, regardless of when actually collected, 80% must be paid and returned no later than 30 days after the end of the calendar year to those persons, associations and corporations that during that calendar year conducted an extended meet pursuant to a license granted by the commission in section 271. This payment must be divided in the proportion that the contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at

the extended meets of each racing licensee during that calendar year bear to the total contributions of regular and exotic wagers to pari-mutuel pools on live racing made or conducted at the extended meets of all racing licensees during that calendar year.

Licensees sharing in this distribution shall use 1/2 of the funds so received for the purpose of supplementing the purse money. [1997, c. 528, §46 (NEW).]

2. Distribution. On May 30th, September 30th and January 30th, payments made under this subsection and subsection 1 for distribution in accordance with this subsection must be divided among the licensees conducting live racing in the State. The amount of the payment made to a licensee is calculated by dividing the number of race dates on which that licensee conducted live racing in any calendar year by the total number of race dates on which all licensees conducted live racing in that year. Beginning January 30, 1997, the January 30th payment must be adjusted to reflect the dates when live racing was actually conducted during the previous year, not the dates granted.

Distribution must be in the proportion that the amount of exotic wagers placed at off-track betting facilities on simulcast races from each licensee up to the last day of the preceding month bears to the total amount of exotic wagers at off-track betting facilities on races simulcast from all commercial racetracks and agricultural fair associations up to that date. §298. FUND TO SUPPLEMENT HARNESS RACING PURSES

1. Fund created. A fund is established to supplement harness racing purses to which the commission shall credit all payments received pursuant to section 1036, subsection 2, paragraph B for distribution in accordance with this section. The fund is a dedicated, nonlapsing fund, and all revenues deposited in the fund remain in the fund and must be disbursed in accordance with this section, except that assessments and advances may be withdrawn in accordance with section 267-A. The commission shall distribute in accordance with this section amounts credited to the fund.

[2007, c. 539, Pt. G, §10 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

2. Distribution.

[2007, c. 183, §3 (AFF); 2007, c. 183, §1 (RPR); T. 8, §298, sub-§2 (RP) .]

2-A. Distribution. On April 30th, July 30th, October 30th and January 30th of each year, all amounts credited to the fund established by this section as of the last day of the preceding month and not distributed before that day must be distributed to each commercial track, as defined in section 275-A, subsection 1, to each agricultural fair licensee that conducts live racing on fair dates assigned by the commissioner pursuant to Title 7, section 84 and to each agricultural fair licensee that conducts an extended meet as long as that licensee conducted an extended meet in 2005, with each commercial track and each agricultural fair licensee receiving an amount of money determined by multiplying the amount of money available for distribution by a fraction, the numerator of which is the total number of live race dashes assigned to the commercial track or agricultural fair licensee for the year and the denominator of which is the total number of race dashes assigned to all commercial tracks and agricultural fair licensees for the year. The payment in January must be adjusted so that for the prior year each commercial track or agricultural fair licensee entitled to a distribution receives that portion of the total money distributed for the full year from the fund established by this section that is determined by multiplying the total amount of money by a fraction, the numerator of which is the number of live race dashes conducted by the commercial track or agricultural fair licensee during the calendar year that qualify for a distribution and the denominator of which is the total number of race dashes conducted during that calendar year that qualify for a distribution. For purposes of this subsection, a race dash qualifies for distribution if the dash was conducted by a commercial track or by an agricultural fair licensee on dates assigned under Title 7, section 84 or during an extended meet. The funds distributed pursuant to this subsection must be used to supplement harness racing purses.

This subsection takes effect December 31, 2009.

[2007, c. 183, §2 (NEW); 2007, c. 183, §3 (AFF) .]

3. Rules. The commission may adopt rules to enforce the obligation of licensees to use funds distributed under this section to supplement harness racing purses and to require licensees to account for funds. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

§299. FUND TO ENCOURAGE RACING AT MAINE'S COMMERCIAL TRACKS

1. Fund created. The Fund to Encourage Racing at Maine's Commercial Tracks is established to provide revenues to Maine's commercial tracks. The fund is a dedicated, nonlapsing fund. All revenues deposited in the fund remain in the fund and must be disbursed in accordance with this section, except that assessments and advances may be withdrawn in accordance with section 267-A.

[2007, c. 539, Pt. G, §11 (AMD); 2007, c. 539, Pt. G, §15 (AFF) .]

2. Distribution. On July 30th and January 30th, all amounts credited to the fund established by this section as of the last day of the preceding month and not distributed before that day must be distributed to each commercial track licensed under section 271 within 30 days, with each track receiving that amount of the money available for distribution determined by multiplying that amount times a fraction, the numerator of which is the total number of race day credits awarded to the commercial track during the preceding time period and the denominator of which is the total number of race day credits awarded for all commercial tracks licensed under section 271 during that time period. The payment in January must be adjusted so that for the prior 2 time periods each commercial track receives that fraction of the total money distributed over the full year from the fund established by this section, the amount determined by multiplying the total amount of money times a fraction, the numerator of which is the number of live race day credits actually earned by the commercial track during the calendar year and the denominator of which is the total number of race day credits actually earned by all commercial tracks licensed under section 271 during that calendar year.

[2017, c. 231, §23 (AMD) .]

3. Track closure distribution. Notwithstanding subsection 2, if a commercial track ceases operation and is not immediately replaced by a commercial track in the same region that is owned by the same owner as the commercial track that ceased operation, all amounts credited to the fund established by this section must be disbursed to the remaining commercial tracks and to agricultural fair licensees that conduct live racing based on days raced during extended meets up to a maximum of 100 days raced during extended meets per year and until such time as a new commercial track begins operation. If a commercial track ceases operation, the commission may vary from the distribution schedule set forth in subsection 2 to facilitate racing at other licensed tracks in the State. The payment to a commercial track or agricultural fair is determined pursuant to subsections 2 and 5, with agricultural fair licenses conducting live racing during extended meets receiving race day credits as determined in subsection 5 in a similar manner as commercial race tracks receive race day credits. An agricultural fair must receive its payment no later than May 30th before extended meets are held based on assigned dates for extended meets for that agricultural fair. An adjustment must be made no later than the January 30th following the extended meets that results in payment to an agricultural fair based on days actually raced during extended meets by that agricultural fair. Any amount remaining in the fund on January 30th after payments are made to commercial tracks and agricultural fairs must be transferred to the operating account of the commission under section 267-A.

For the purposes of this subsection, "region" is determined by measuring a distance of 50 miles from the center of the racing track along the most commonly used roadway, as determined by the Department of Transportation, drawing a circle around the center of the racing track using that 50-mile measurement and excluding those municipalities or unorganized territories that do not have boundaries contained entirely by that circle.

[2017, c. 231, §24 (AMD) .]

4. Natural disaster exception. [2013, c. 255, §1 (NEW) .]

3. Registry. The department shall create and maintain, or shall contract with a private entity to create and maintain, a secure, electronically accessible registry containing information regarding individuals with outstanding child support debt. [2013, c. 255, §1 (NEW).]

B. Upon receipt of information pursuant to paragraph A, the registry operator shall electronically inform the licensee whether the individual who placed the winning wager is listed in the registry. If the individual is listed in the registry, the registry operator shall inform the licensee of the amount of the individual's outstanding child support debt and the account number or identifier assigned to the outstanding child support debt and shall provide the licensee with a notice of withholding that informs the individual of the right to an administrative hearing. [2013, c. 255, §1 (NEW).]

[2013, c. 255, §1 (NEW) .]

6. Withholding of winnings. The licensee shall withhold from any payout on a winning wager an amount equal to the amount of the lien created under subsection 5 and shall provide a notice of withholding to the individual who placed the winning wager. Within 7 days after withholding an amount pursuant to this subsection, the licensee shall transmit the amount withheld to the department together with a report of the name, address and social security number of the individual from whom payment was withheld, the account number or identifier assigned to the debt, the amount withheld, the date of withholding and the name and location of the licensee.

[2013, c. 255, §1 (NEW) .]

9. Authorization to provide information. Notwithstanding any other provision of law to the contrary, the licensee may provide to the department or registry operator any information necessary to effectuate the intent of this section. 1. Conditions permitting payment of a prize to another person. Payment of a prize may be made to a person other than the winner as follows:

A. To the estate of a deceased prizewinner upon receipt by the commission of a certified court order appointing an executor or administrator; [1995, c. 652, §2 (NEW); 1995, c. 652, §4 (AFF) .]

B. To any person pursuant to a certified final order of a court of competent jurisdiction, including orders pertaining to claims of ownership in the prize, division of marital property in divorce actions, bankruptcy, child support, appointment of a guardian or conservator and distribution of an estate; or [1995, c. 652, §2 (NEW); 1995, c. 652, §4 (AFF) .]

C. - (1) That the assignor and the assignee are not represented by the same counsel;
- (2) That the assignment is in writing and represents the entire agreement between the parties;
- (3) That the assignment agreement contains the following provisions:
 - (a) The assignor's name, social security number or tax identification number and address;
 - (b) The assignee's name, social security number or tax identification number, citizenship or resident alien number, if applicable, and address;
 - (c) The specific prize payment or payments assigned or any portion of the payments, including:

 - (ii) Cancellation occurs when notice of cancellation is given to the assignee;

- (iii) Notice is sufficient if it indicates the intention of the assignor not to be bound; and
- (iv) Notice of cancellation, if given by mail, is deemed given when deposited in a mailbox properly addressed with first class mail postage prepaid.

Failure to provide the notice of right to cancel as provided in this division renders the assignment agreement unenforceable and the assignor may collect a reasonable attorney's fee in any action to enforce such agreement;

- (4) That, prior to execution of the assignment agreement, the assignee has provided to the assignor in writing, on a disclosure form separate and apart from the agreement, the following:

 - (b) The assignor has consulted with independent financial and tax advisors not referred by or associated with the assignee;
 - (c) The assignor has signed the assignment agreement acting under free will without undue influence or duress;
 - (d) The assignor is not under any obligation to pay child support or is under that obligation and is in good standing with respect to that obligation or has agreed to a payment plan with the party state agency responsible for child support and is in full compliance with that plan; and
 - (e) The assigned payment or payments are not subject to any claims, liens, levies, security interests, assignments or offsets asserted by other persons or the party states or has provided the court with written consent of each person having such an interest; and
- (6) If the assignor is married, the assignor has submitted to the court a signed and notarized statement of the spouse consenting to the assignment. If a notarized statement is not presented to the court, the court shall determine the ability of the assignor to make the proposed assignment without the spouse's consent. A. Issue a warning, censure or reprimand to a licensee or registrant. Each warning, censure or reprimand issued must be based upon a violation of a different applicable law, rule or condition of licensure or must be based upon a separate instance of actionable conduct or activity; [2003, c. 687, Pt. A, §5 (NEW); 2003, c. 687, Pt. B, §11 (AFF).]

B. Suspend a license or registration for up to 360 days for each violation of an applicable law, rule or condition of licensure or registration or instance of actionable conduct or activity. Suspensions may be set to run concurrently or consecutively. Execution of all or any portion of a term of suspension may be stayed pending successful completion of conditions of probation, although the suspension remains part of the licensee's or registrant's record; [2003, c. 687, Pt. A, §5 (NEW); 2003, c. 687, Pt. B, §11 (AFF).]

2. Consent agreements. The board may execute a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of the licensee or registrant, the board and the Attorney General. Any remedy, penalty or fine that is otherwise available by law may be achieved by consent agreement, including long-term suspension and permanent revocation of a license or registration. A consent agreement is not subject to review or appeal and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court.

[2003, c. 687, Pt. A, §5 (NEW); 2003, c. 687, Pt. B, §11 (AFF) .]

3. Surrender of license or registration. The board may accept surrender of a license or registration. In order for a licensee's or registrant's surrender of a license or registration to be effective, a surrender must first be accepted by vote of the board. The board may refuse to accept surrender of a license or registration if the licensee or registrant is under investigation or is the subject of a pending complaint or proceeding, unless a consent agreement is first entered into pursuant to this chapter.

[2003, c. 687, Pt. A, §5 (NEW); 2003, c. 687, Pt. B, §11 (AFF) .]

4. Letters of guidance or concern. The board may issue letters of guidance or concern to a licensee or registrant. Letters of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations and express concern over action or inaction by the licensee or registrant that does not rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The board may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a licensee's or registrant's file for a specified amount of time, not to exceed 10 years. Any letters, complaints and materials placed on file may be accessed and considered by the board in any subsequent action commenced against the licensee or registrant within the specified time frame. Complaints, reports and investigation materials placed on file are confidential only to the extent otherwise provided by law.

Subchapter 7: ADVANCE DEPOSIT WAGERING

§1071. ADVANCE DEPOSIT WAGERING LICENSE AWARDED PURSUANT TO COMPETITIVE BID

The board shall develop a request for proposals for the purpose of awarding one bidder the privilege to be licensed to conduct advance deposit wagering. The request for proposals must instruct potential bidders to propose the method by which they will conduct advance deposit wagering that provides the maximum benefit to the harness racing industry and the State in a manner that ensures wagering is conducted by residents of the State who are verified to be 18 years of age or older. A bidder seeking award of a license to conduct advance deposit wagering shall comply with the requirements determined by the board. The board shall require that a proposal include a nonrefundable application fee of \$1,000 and an agreement to pay the costs of the board for processing an application and performing background investigations, as described in this subchapter. The board shall ensure that the request for proposals clearly identifies the deadline for submission and all bid requirements. The board shall follow, as nearly as practicable, the provisions governing competitive bidding prescribed by Title 5, chapter 155, subchapter 1-A and rules adopted pursuant to that subchapter. [2015, c. 499, §8 (NEW) .]

1. Eligible bidders; bid proposal factors. The board may accept bids from an entity that for a period of at least 2 years has been licensed to accept wagers on horse racing as either the operator of a commercial track, as an off-track betting facility licensed under section 275-D or as an entity licensed in another state to conduct advance deposit wagering. When considering bids for the privilege to be licensed to conduct advance deposit wagering, the board shall consider the following:

- B. The extent to which the bidder's proposal to conduct advance deposit wagering will benefit the harness racing industry in the State and the General Fund; [2015, c. 499, §8 (NEW).]
- C. The percentage of wagers the bidder proposes to pay to the board to cover the costs of the board for administration and oversight of advance deposit wagering and to make distributions required under section 1072; [2015, c. 499, §8 (NEW).]
- D. The adequacy of systems the bidder will use to conduct advance deposit wagering to ensure that bettors who establish accounts to place bets on horse racing via advance deposit wagering are 18 years of age or older and residents of the State; [2015, c. 499, §8 (NEW).]
- E. The likelihood that the bidder will meet the requirements for licensure to conduct advance deposit wagering as prescribed by the rules of the board; [2015, c. 499, §8 (NEW).]

The contract must include a framework of reasonable financial penalties for failure of the advance deposit wagering licensee to comply with the terms of the contract and rules of the board. The licensee may not conduct advance deposit wagering prior to the execution of the contract required by this subsection.

In order to be licensed by the board to conduct advance deposit wagering, a person that is selected as the winning bidder in accordance with this subchapter must complete an application using forms developed by the board and comply with additional requests the board determines necessary to investigate the suitability of the winning bidder to be issued a license.

[2015, c. 499, §8 (NEW) .]

5. Authority to conduct advance deposit wagering. A license issued in accordance with this subchapter authorizes the licensee to conduct advance deposit wagering in accordance with the requirements of this subchapter and rules of the board. A licensee may accept wagers made from advance deposit wagering account holders by telephone and via electronic device. If a licensee is also licensed to accept wagers on live or simulcast horse racing as a commercial track or off-track betting facility under this Title, the licensee may accept in-person advance deposit wagers at the commercial track or off-track betting facility. A person that facilitates an advance deposit wagering account on behalf of a resident of this State or accepts wagers on horse races from a resident of this State without a license is guilty of unlawful gambling under Title 17-A, chapter 39. Upon notification by an individual, or upon its own motion, the board shall direct any person that facilitates advance deposit wagering without a license to immediately cease operations and notify the person that the person may be subject to prosecution for unlawful gambling.
