FINANCIAL ORDER

*OK
6/17/21*

ORDERED,

That the State Controller transfer \$31,000 from the All Other line category to the Capital Expenditures line category within account 010-18A-0080-01, Bureau of Public Improvements Building Operations, for the purpose of funding the purchase of a tractor in order to replace dated equipment used for snow removal; and,

Be it further ordered,

that the State Controller increase the allotment in this account by \$31,000 in the Capital Expenditures line category, and decrease the allotment in this account by \$31,000 in the All Other line category for the purpose of funding the purchase of a tractor in order to replace dated equipment used for snow removal; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant.

Statement of Fact

This financial order increases allotment in the Capital Expenditures line category and decreases allotment in the All Other line in this account for the purpose of funding the purchase of a tractor that will replace dated equipment and will be used for snow removal. Failure to allot these funds will result in continued use of the outdated 1994 tractor whose maintenance costs has been on the rise for years. If the tractor breaks down completely the only two options to remove snow off the sidewalks would be to use a truck and plow which would damage the sidewalks or to use manual snow blowers, which would be time consuming and would be difficult to keep clear. These funds will no longer be needed in the All Other category due to a reduction in maintenance costs associated with updating this equipment.

The Maine lobster boat design provides an effective and safe platform for officers to conduct patrol work, including hauling and inspecting lobster fishing gear, along Maine's coastline. Failure to allot these funds will have a detrimental impact to the Bureau of Marine Patrol's enforcement and public safety efforts.
